

Bambi Air Compressors Ltd was established in 1977 and enjoys a worldwide reputation for quality and after-sales care and service. Dedicated to the manufacture of innovative and meticulously engineered products, our extensive range is as diverse as our customers themselves.

Our policy of continual development and improvement has ensured we remain at the forefront of our industry. Through acquisition and organic growth we now operate a number of specialist divisions within our organisation, each committed to the very highest standards of customer satisfaction -

La société Bambi Air Compressors Ltd a été créée en 1977 et jouit d'une réputation de produits de qualité et d'un excellent service après-vente dans le monde entier. Dédiciée à la fabrication de produits novateurs et construits de manière méticuleuse, notre large gamme d'équipements est aussi diverse que notre clientèle.

Notre politique d'amélioration et de développement continus nous a permis de rester aux avant-postes du secteur. Grâce à des acquisitions et à notre croissance organique, nous gérons aujourd'hui plusieurs branches spécialisées au sein de notre organisation, chacune s'engageant à atteindre les niveaux de satisfaction de la clientèle les plus élevés possible -

Bambi Air Compressors Ltd wurde 1977 gegründet und genießt weltweit einen hervorragenden Ruf für Qualität und After-Sales-Service. Unser umfassendes, innovatives und technisch ausgereiftes Fertigungsprogramm ist so vielseitig wie unsere Kunden!

Unsere Politik der ständigen Entwicklung und Verbesserung hat sichergestellt, dass wir in unserer Branche stets führend sind. Durch Akquisition und organisches Wachstum verfügen wir jetzt über eine Reihe von betrieblichen Fachabteilungen, die sich alle für höchste Kundenzufriedenheit engagieren -

Bambi Air Compressors Ltd fue fundada en 1977 y disfruta de reputación internacional por su calidad, servicio y atención postventa. Dedicados a la fabricación de productos innovadores y meticulosamente diseñados, nuestra amplia gama es tan diversa como nuestros propios clientes.

Nuestra política de desarrollo y mejora continuos asegura que siempre nos encontramos a la cabeza del sector. Gracias a las adquisiciones y el crecimiento de nuestra organización, hoy tenemos varias divisiones especializadas, todas ellas comprometidas con los altos estándares de satisfacción del cliente -

IBMIBI

- Budget Silent Running Air Compressors
- Medical/Dental Silent Air Compressors
- Oil Free Air Compressors

COMPTON COMPRESSORS

- Diaphragm Compressors & Vacuum Pumps
- Gas Circulators
- Sprinkler System Compressors

Our spray painting division manufactures -

APLLO

- HVLP Turbine Sprayers
- Multi Fleck Paint Sprayers

PORTASPRAY

IBMIBI

- Compresseurs d'air silencieux Budget
- Compresseurs d'air silencieux Medical/Dental
- Compresseurs à air à piston sec

COMPTON COMPRESSORS

- Pompes à vide & compresseurs à diaphragme
- Chauffe-eau à gaz
- Compresseurs pour les installations d'extincteurs à eau automatiques

Notre branche de peinture par pulvérisation fabrique -

APLLO

- Des pulvérisateurs à turbine HVLP
- Des pulvérisateurs de peinture multi-mouchetures

PORTASPRAY

IBMIBI

- Leise laufende Budget Druckluftkompressoren
- Leise laufende Medical/Dental Druckluftkompressoren
- Ölfreie Druckluftkompressoren

COMPTON COMPRESSORS

- Membrankompressoren und Vakuumpumpen
- Gaszirkulatoren
- Sprinkleranlagen-Kompressoren

Unsere Abteilung für Spritzlackierung fertigt -

APLLO

- HVLP Turbinenspritzanlagen
- Multi Fleck Lackspritzanlagen

PORTASPRAY

IBMIBI

- Compresores de Aire de Funcionamiento Silencioso Budget
- Compresores de Aire de Funcionamiento Silencioso Medical/Dental
- Compresores de Aire Sin Aceite

COMPTON COMPRESSORS

- Compresores de diafragma y Bombas de vacío
- Distribuidores de gas
- Compresores para sistemas de riego por aspersión

Nuestra división de pintura con aerógrafo fabrica -

APLLO

- Aerógrafos con turbina HVLP
- Aerógrafos de pintura multicolor

Ultra high performance with ultra low noise - the Bambi MD range. Designed for applications demanding the highest quality air supply with all the benefits of very low noise levels. At the heart of the range is the oil lubricated T75 pump unit developed to deliver 50% more air compared to other silent compressors and the *only* silent compressor fitted with piston rings eliminating oil carryover to the air supply.

Model								
35/20	L/Min	Ltrs	Bar	Kw HP	Volts/Hz	dB(A)	KG	CM-hxwx d

Max Duty Cycle = 50%. 110 volt available on request

Only Bambi offers this unique combination of piston rings and high performance pump* which means the MD range is perfect for critical applications; scientific laboratories, dentistry, pneumatic control systems and any other application requiring ultra clean, ultra silent air!

With sound levels from just 40dB(A) and almost no vibration when running, Bambi MD Compressors can be located in the work area without causing any noise intrusion. Perfect as a stand alone air centre or for a range of OEM requirements.

Model								
75/150	L/Min	Ltrs	Bar	Kw HP	Volts/Hz	dB(A)	KG	CM-hxwx d
	78	15	8	0.50 0.5	220-240/50	55	37	67x46x30

Max Duty Cycle = 50%. 110 volt available on request

150/500 fitted with standard wheel kit supplied

150/500

The "V" designated models have the same specification as the horizontal versions but in an ultra compact package. All models have an 8 bar maximum working pressure, optional higher pressures are available on request.

As you would expect on this high quality, high performance range, the standard specification is very high; air receivers are internally powder coated to prevent corrosion*, internal valves are stainless steel and each model is equipped with a 10 micron air filter & outlet pressure regulator as standard. Models 150/500 & 225/1000 are supplied with easy to fit wheel kits, available as an option for 75/250.

225/1000

225/1000 fitted with standard wheel kit supplied

Model								
225/1000	L/Min	Ltrs	Bar	Kw HP	Volts/Hz	dB(A)	KG	CM-hxwx d
	234	100	8	1.5 1.5	220-240/50	57	108	72x118x35
FAD	1 Bar	2 Bar	3 Bar	4 Bar	5 Bar	6 Bar	7 Bar	8 Bar
L/Min	187	189	177	171	168	162	159	156

Above dimensions exclude wheels, when fitted +5cm to height
Max Duty Cycle = 50%. Requires 20 amp single phase power supply

Unique Bambi Piston Rings

Internally Coated Receiver

High Output T75 Pump Unit

Low Noise Non Return Valve

10 Micron Outlet Filter & Adjustable Pressure Regulator

Bambi compressors have been designed to maximise efficiency and ensure years of trouble free operation, which together with our comprehensive warranty extending to 5 years on the air receiver explains why so many are in use worldwide in all types of vital applications.
